FOOD:

All groups, we offer bed and breakfast on site. (See below) You can order a full dinner with catering, with whom we cooperate.

Price depends on menu ranges from 12,5-17 zł for lunch, or dinner in the price of PLN 8.00. (See below)

You can also order:

Soup of meat with a vegetarian option of an additional vase - 6.00 PLN per person

Zupęz insert with an option to insert a vase with a vegetarian. - 8.00 PLN per person.

We can also prepare the so-called. "Packaged kits", useful when the group wants to bring a 2-e breakfast on a trip, or the way back. Kits consist of sandwiches, pastries or fruit and a drink. The price of such a set is from 6.00 PLN.

NOTE: The hostel has a total ban on smoking with the exception of places allocated to this. In the hours of 22:00-6:00 curfew, which does not mean the ban through the building. Does not apply to normal behavior, and only a massive noise, screams and tomtu.

Please organizers also let us know if you need parking for coaches. Besides, the bus driver or keeper of the group is obliged to notify us by phone or SMS at least 30 minutes before the arrival of your position. We will call you back, Players pilot and assist park at the hostel.

Parking for buses is a bit away from the hostel. My Players pilot and fly the driver of the car park to the hostel and on the second day of parking free of charge.

Likewise, every day stop. The cost of parking on one night, cover the whole with a few nights, divided in half with the organizer. If it is not a coach bus, then you can park at the hostel.

For booking of one night deposit is 10%. For two nights deposit is 50% of the value of one night's stay. If booked more nights, then the deposit is equal to 100% of one night's stay. The amount of advance payments can be negotiated. You can pay by bank transfer and credit card.

Charter is a cheaper procedure, because only gets 10% of the booking, not depending on the number of nights. In the case of fewer participants than booked, do not share the advance, just subtract the total from the final price. If the number of participants significantly reduced and goes below the minimum quantity required for a given price, then unfortunately, the price will change to the amount of money due to the number of people.
